

Assembly / Installation

BF2 Duostat and 2U500

fig. 1

fig. 2

1. Orient the Staticmaster® model 2U500 ion cells as shown in fig. 1.
2. Slide the Staticmaster® model 2U500 ion cells into the holder on the Duostat bracket. Refer to fig. 2 to see the installed ion cells. The Duostat is now ready to use.

Note: the Staticmaster® model 2U500 ion cells are sold separately.

Limited Warranty

NRD expressly warrants that for a period of ninety (90) days from the time of purchase, the product will be free of defects in material (parts) and workmanship (labor). Within the warranty period, the product will be tested, repaired, or replaced at discretion of NRD, free of charge. Any product under warranty should be shipped prepaid to the NRD factory. Call Customer Service at (716) 773-7634 for a Return Authorization number and shipping instructions. Include a copy of your original packing slip, invoice, or other proof of purchase date.

If the product is out of warranty, NRD LLC will quote repair charges necessary to bring your product up to factory standards.

Warranty Exclusions

The forgoing express warranty is made in lieu of all other product warranties, expressed and implied, including merchantability and fitness for a particular purpose that is specifically disclaimed. The express warranty will not apply to defects or damage due to accidents, neglect, misuse, alterations, operator error, or failure to properly maintain, clean or repair products.

Limit of Liability

The user shall determine the suitability of the product for their intended use, and the user assumes all risk and liability whatsoever in connection therein.
